**JULY IS THE MONTH OF THE PRECIOUS BLOOD OF JESUS**

The entire month of July is dedicated to the **Precious Blood.**

The feast of the Precious Blood of our Lord was instituted in 1849 by Pius IX, but the **devotion is as old as Christianity.**

The early Fathers say that the Church was born from the pierced side of Christ, and that the sacraments were brought forth through His Blood.

**SAINT MARIA GORETTI  
VIRGIN & MARTYR  
PROTECTOR OF YOUNG WOMEN  
FEAST DAY  
SATURDAY, JULY 6**

Maria was born in 1890 into a poor family at Corinaldo, Italy. When her father died, ten-year old Maria took care of the house and her brothers. Pestered and stalked by the amorous advances of a young male neighbor, she resisted him, even when he severely threatened her. Finally, stabbing her to death while she resisted rape and maintained her virginity.

She forgave him of his crime and he was sentenced to 30 years in prison during which time he repented and reformed his life. He later joined a monastic life. He was one of the witnesses who testified to **Maria's holiness** during her cause of beatification which occurred in 1945. **He also was present at her canonization** by Pope Pius XII in 1950, when she became the **youngest Roman Catholic saint** officially recognized by name.

Maria reminds today's youth of the third millennium that true happiness demands courage and a spirit of sacrifice, refusing every compromise with evil and having the disposition to pay personally, even with death, remaining faithful to God and his commandments."

**St. Junipero Serra**

Born at Petra, Majorca, Spain, November 24, 1713, a son of farmers Antonio Nadal Serra and Margarita Rosa Ferrer. In Petra, Serra attended the primary school of the Franciscans. He studied philosophy and theology at the Convento de San Francisco. The date of his ordination to the priesthood is not known, though it probably occurred during the Ember Days of December 1738. Serra obtained his doctorate in theology in 1742 from the Lullian University, Palma. On April 13, 1749, with Francisco Palóu, Serra sailed for America. He landed in Vera Cruz, Mexico on December 7, 1749. He was appointed president of the ex-Jesuit missions of Baja California where he spent the next two decades building missions. On March 28, 1769, Serra left the mission at Loreto on mule-back, arriving at San Diego on July 1. En route, he founded his first mission at San Fernando de Velicatá. Serra devoted the next 15 years of his life to evangelical work in Upper California where he founded nine missions. Serra died at Mission San Carlos, August 28, 1784, at the age of 70 and is buried in the floor of the sanctuary of the church he had built. Pope Francis canonized Junipero Serra on September 23, 2015 in Washington, D.C.
