An offering is traditionally included with the request for Mass intentions. Mass cards are available to give to the person for whom the Mass is offered or their family.

**DID YOU KNOW THAT JULY IS THE
MONTH OF THE **PRECIOUS BLOOD****

July has long been designated the month dedicated to the Precious Blood of Jesus in the Liturgical calendar of the Church.

Devotion to the Precious Blood dates back to the early centuries of Christianity. It provides believers with a specific period to deepen our devotion to Jesus' sacrifice and to reflect on the salvific power of His Blood. It offers us an opportunity to participate in special prayers, Liturgies, and devotional practices for the blood that Jesus Christ shed during His Crucifixion for the redemption of humanity. This devotion emphasizes the profound spiritual significance of Jesus' sacrifice and the salvific power of His Blood. We believe that through this act, Jesus offered Himself as a perfect sacrifice to reconcile humanity with God and to atone for sin.

The Precious Blood of Jesus is seen as the ultimate expression of God's love and mercy, as it was freely given for the forgiveness of sins and the salvation of souls. It is a tangible sign of God's willingness to suffer and die for the sake of our salvation, demonstrating the depth of His love and compassion. Jesus' Blood represents the victory over sin and death achieved through His resurrection. By shedding His Blood, Jesus offers believers the hope of new life and reconciliation with God.

**What is
Mammon?**

When Jesus says, "You cannot serve both God and mammon," what does he mean?

When you hear Scripture proclaimed each Sunday, remember it wasn't originally written in English. Hebrew, Aramaic, Greek — these ancient tongues were the original language of our Old and New Testaments.

Mammon is an ancient Aramaic word referring to money, wealth, or profit. Earthly wealth isn't bad in itself, nor does it automatically exclude us from being a disciple of Jesus. But what dominates our life? To serve money — that is, to seek accumulation of wealth for its own sake and to structure our lives around it — is morally problematic. What good is our wealth if it isn't at the service of others? What good is our wealth if its pursuit leads us to selfishness, obsession, greed, envy, and comparison? There are many things that can be opposed to our service of God — power, prestige, popularity. Ultimately, something in our lives will be our master, but there is only one God worth serving.
